FAMILY DAY CHANGES TO GARBAGE PICKUP ONLY

Only those residents with regular garbage pickup on Monday, February 19th will be affected. Monday's garbage will be picked up on Tuesday, February 20th. The pickup days for all other residents remain the same. This does not affect recycling in any way. The Loughborough Waste Disposal Site will be closed on February 19th.

GARBAGE & RECYCLE - WINTER REMINDERS

Now that we are in the midst of a true Canadian winter, please be aware of where you place your garbage and recycle containers, the Township cannot take any responsibility for damaged garbage cans or recycle boxes if left in the paths of normal plow routes. If possible, place your garbage and recycling in an area that is fully visible to collection vehicles but well away from the plow route. Protect the environment from your windblown papers by placing a rock or light cover on top of your blue box and try to take the emptied boxes/cans in as soon as possible to prevent the wind from moving them about.

Your garbage and recycling may be picked up any time between 7:00 am and 5:00 pm on your collection day. Please do not assume that it has been missed if it is outside the times that you have become accustomed to, there are many factors that determine collection times especially in the winter months.

WINTER PARKING RESTRICTIONS

The parking of vehicles on Township roads and village streets from 12:00 midnight to 7:00 a.m. is not permitted from December 1, 2017 to March 31, 2018. Pursuant to Section 181 of the Highway Traffic Act "No person shall deposit snow or ice on a roadway without permission in writing from the road authority responsible for the maintenance of the road". Please be advised that the Township of South Frontenac will NOT be responsible for damages to mailboxes, newspaper boxes, recycle boxes or parked cars where said boxes or vehicles interfere with the winter maintenance of Township roads.

WINTER HOURS, HOUSEHOLD HAZARDOUS WASTE DEPOT

The depot will be open on February 22, 2018 from 3:00 pm – 7:00 pm. Please remember that accepted items are hazardous materials, small electronics and bale wrap only. A full listing of accepted materials may be found on our website under Living Here/Solid Waste/Recycling/Household Hazardous Waste.
