

LIVING HERE

VACATIONING IN SOUTH FRONTENAC?

Nothing can compare to a week at the lake and in South Frontenac where we have an abundance of clear lakes, beautiful trails and great cycling. The one thing that can dampen your vacation is the unsightly mess of a can or a plastic bag floating by or the sounds of wildlife munching happily on garbage that was not properly disposed of. We hope you enjoy your stay but ask that you please have regard for our Garbage and Recycling policies. Dumping garbage at the side of the road or at the gates of a landfill on a Sunday night is not only unacceptable, it creates a huge problem for township staff when their time could be better spent elsewhere. Find out the proper collection day for your location and please do not put it out prior to that, the animals may thank you but what they don't eat will be strewn around and someone must clean it up! Whether you are a cottage owner, a renter or day tripper, please become familiar with collection dates and locations, as well as our recycle streams. By all means, take your memories with you but please don't leave your garbage behind! Any questions, contact Solid Waste Management at 613-376-3027 Ext 4330
