### Pitch-In Week is April 15-25

Pitch-in Week is April 15-25. It's easy to pitch in! Pick up the special yellow biodegradable bags starting Mon April 15 from our offices or local retailers who sell bag tags, help clean up roadsides and greenspaces, then put the bags out on your regular collection day the week of April 22 (no bag tag is required for the yellow bags). With the early spring, we know some residents may pitch in early. We ask you hold on to any bags collected and put them out with your regular garbage the week of April 22 only when we have resources to handle the extra volumes. Thanks for keeping South Frontenac beautiful!
