**LIVING HERE**

**DRIVE SLOW IN THE SNOW**
- BE NICELY ON THE ICE: Give yourself twice the space between vehicles and pedestrians. Stopping distance on ice is double that of a dry road.
- GO SLOW IN THE SNOW: Slow down and drive according to weather conditions, not the speed limit.
- IT’S NOT A RACE, GIVE PLOW SPACE: Snow plows are extra wide and can create clouds of snow — both of which reduce visibility and increase the risk of collision. It’s best to wait for the plow to pull over before you pass.

**GARBAGE BAG TAGS**
We realize that at this time of year, residents may be getting low on garbage tags, however please ensure that each bag has a full, original South Frontenac bag tag around the neck of the bag. Partially tagged bags and overweight bags will not be collected. Tags may be purchased at either Township office or numerous stores in the Municipality. Consider doing a waste audit in your own home, are there things going into your weekly garbage that are recyclable? Be aware of how your purchases are packaged and what of that is being put in the garbage versus the blue box. New tags will be arriving in your March tax bill.
