2024 Court Rentals

We're gearing up for another great year on the courts! We'll be accepting seasonal court requests from February 12-23. Staff will work with user groups to sort out scheduling conflicts and the schedule will be posted by March 4, 2024. See southfrontenac.net/courts for more information.

Summer Program Registration

Registration for summer day camps and swimming lessons will open online on March 25th at 9 am. We will have three sites in 2024. The McMullen Beach Day Camp in Verona is returning this year and will feature sports on the new courts, in the water, and on the fields. If your camper loves sports, they will love this camp! See southfrontenac.net/camp for rates, dates, and times for the 2024 season.

2024 Dog Tags Now on Sale

2024 dog tags are now on sale and are just \$15 until March 1, 2024 when the price goes up to \$30. See our Dogs and Animal control page on our website for a list of local retailers where you can purchase your tag or come into our Township offices in Sydenham between 8 and 4:30 pm to pick up your tag.

Garbage Bag Tags

If you are running low on garbage bag tags, you can buy extra tags for \$2 each at several local retailers or our municipal office. See the list of retailers on the Solid Waste section of our website. We'll include a new supply for 2024 in the March tax mailing. Please remember to tag your bags and have them to the curb by 7 am. The maximum weight for bags and blue boxes is 20 kgs/44 lbs.

Snow Plowing and Mailboxes

We will replace or repair mailboxes and mountings if we determine the damage was caused by Township snowplows (sometimes it's not the plow, but the weight of the snow that causes the damage). Contact our Public Services team at 613-376-3027, x4331 if your mailbox or post is damaged or see our winter maintenance page for more details.

NEWS AND PUBLIC NOTICES

Green Light for Additional Dwelling Units in South Frontenac

On January 23, 2024, new bylaws came into effect for additional dwelling units in South Frontenac. An additional dwelling unit is a self-contained residential unit with its own kitchen, bathroom facilities and sleeping area on a property that already has a house on it. For a rural municipality like South Frontenac, they are a creative solution to provide more housing options.

In South Frontenac, you can build up to two additional dwelling units on one property, one or two in the primary dwelling and one in an accessory building for a total of three residential units on one lot. The proposal must meet zoning and building code requirements. We've posted many helpful materials on our website for residents who are thinking about building an additional dwelling unit on their property. See southfrontenac.net/ADUs for more details.

Apply for a Community Grant

Applications for our Community Grant Program are now being accepted. Community grants provide funds to organizations and events that enrich the quality of life in South Frontenac based on four grant streams: operating, capital, event sponsorship and community asset. The deadline to apply is April 30, 2024. For more information see www.southfrontenac.net/grants/.
